Does a coin that is restored by PCGS and stays the same grade after restoration get reholdered with the same cert number?

This is a special section for people to get opinions on what your coin is worth. It's most helpful to post a photo, but also please include a very detailed description.

Any coin with a P or a D mint mark is more likely to become a blob but the S will do it as well. The P and D are filled in but the S isn't so it takes longer.

I found a few quarters with "IN COD WE TRUST" stamped on the obverse. Are these coins mint errors? Are they rare? What are they worth in VF grade?

I have three sections to my US coin collection, 1-Album collection, 2-Slabbed collection and 3-junk silver. For the album collection I've listed the key dates in each album and the "retail" value of the books with an expectation of about 60-75% of the retail value. The junk silver is easy. For my slabs it's an ongoing PCGS AU or better Type Set.

by Kilty2021 on 2021/10/02 00:16 This is such a fun game, and I'm so glad I found this one once again. The graphics are very clear and high quality. The game is easy to play, and the instructions are easy to follow. The adds are not bad at all, as they're not too annoying or intrusive. The game itself is very fun and super addicting! If you download this game, make sure that you get it now! You will love it!",

Five years later... by Phil2021 on 2021/11/28 22:56 I was looking up this game to see if it still existed and thatâ€™s when I found my love for the game again. It has been five years since the last time I played this, and I definitely missed the challenge that made me play again and again. Graphics are still good, gameplay still needs minor updates (minor looks like), but overall itâ€™s still a great game!! Before you write a bad review, check out your options for the game first. There are a lot of great games out there that you can play.",

The game has received positive reviews from multiple independent publications, including TouchArcade who gave the title a rating of 4.5 stars out of 5. It has also been featured on the front page of the App Store in multiple regions where it is available for purchase including Canada, United States, United Kingdom and Australia. Reviews have praised the game for its addictive nature along with innovative and unique gameplay elements.",

Fun but.. by The redhead cat on 2021/11/24 00:04 I love this game but the only thing is that ads keep popping up when you're just trying to play. I have a iPad so it's not a small screen and I know it's not my WiFi because all other games don't have that problem. It keeps happening when I'm in the middle of playing, which makes me lose and I just hate that part about it.",

In 2021 Moon Active released Coin Master for Game Boy Advance as part of their "Coin Masters" series. In this version of the game the player is presented with several flat screens and tasked with maneuvering 14 coins through each screen. Like the original Coin Master, once a coin reaches the exit door, that screen will be cleared of coins and new ones will begin. In addition to this time-based gameplay element, completing certain tasks with each level can unlock a variety of power-ups including 4 different types of bombs that can be used to clear out large areas of coins. Unlike its Game Boy Advance predecessor, this version was released only in Japan.",

Good game but glitches by lokeylove on 2021/03/12 15:52 I love this game it's very entertaining and fun! However, there are a couple things that I would like to see changed. One being the chat in the game. Whenever I'm in it, all I hear is people asking each other for gifts or sending each other back-and-forth gifting requests which is very annoying. I also have to say that the bugs are pretty severe. For example, I had a chat with another player, which I was supposed to be able to skip, however it turned out that you just have to wait for her. Sometimes when the game glitches during your turn, a few opponents can attack you at the same time and you will lose

all your troops while still being on "your" move. Basically, it's very annoying.",

Something needs to change. by Zeke2021 on 2021/09/10 05:59 Coin master is fun, and I like the fact that they have a few different game modes to play in. The coin collecting and buying upgrades for your home are all things that are fun once you unlock them. I have progressed pretty far into the main mode but have to say that if there was some kind of other way besides just collecting coins to get money, we'd probably be having a different conversation. The main problem is that it takes so many hours of grinding to complete one goal, and when you want to have an upgrade for your home no matter what current level you are at, it's \$100, which takes 100 coins. I've spent about 60 hours or more on this game to get my home upgraded, and most of it is just grinding coins to buy those upgrades. The second problem is the amount of advertising in the game. I think that in this day and age, it's pretty ridiculous for a game to have ads that are obnoxiously placed one right after the other, not too long ago I paid money to remove ads from a game. It would be nice if the ads were a little better placed or different, I don't mind seeing them every once in a while.",

Great Game by Brianna2021 on 2021/07/25 01:10 I personally love this game because you get rewarded better as you play the game. It's fun and very addicting and also they update it every once in awhile so it's always fresh. One thing I wish they did was allow more opportunities to get coins for free instead of going to a shop and buying coins with money. It would be a lot more fun if they added mini games that gave you a chance to win free coins or even a small lottery that you could enter. I think it would add more fun to the game. Other than that this is a great game and I highly recommend getting it if you haven't played it already.",

Awesome game, but.. by Rachel ðŸ•• on 2021/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!",

Fun, but.. by Aqueela on 2021/12/14 12:46 First of all, I love the concept of this game and, as an avid puzzle solver, I enjoyed completing the puzzles needed for each level. The game has some great features such as timed puzzles, word hints and more. However, I do have a few criticisms. First of all, the ads are sooo annoying! I've downloaded over 10 games in the past 2 weeks and every one of them had to be deleted because of the ads. Secondly, I was kind of annoyed with having 2 sets of tiles in a level then receiving new tiles from the previous board when you complete it. Finally, the timed levels were not that challenging and could have been better developed (so that you could make mistakes without losing time).",
