Good game but needs improvement by Blazinjoe on 2021/11/01 00:52 The idea for this game is great! It's really fun and all but there's a few things that need to be fixed. First off, you guys should make it so that when someone asks for a gift, the person who asked the question can see who is sending them gifts. I know this sounds kinda petty but I've been on here a while and have had this issue more than once and it's just plain annoying to have people leave you hanging by not giving you what you asked for when they accept the request. There's also something in game chat that needs to be fixed. In game chat lags way too much and it's really annoying. And lastly, please make it so people can say "thank you" to each other when they receive gifts or spins etc... I personally love this app and I would rate it 5 stars but these things should be fixed.",

You need a lot of coins by idk man on 2021/02/23 16:13 It's a fun game but you have to be extremely patient and keep collecting coins over and over again just so you can get any upgrades or anything better. It's like you're never going to get the update you want and it's very frustrating. And the whole thing where you have to spin so that you earn more coins and then you get a random chance of getting coins is just aggravating. The only reason I am writing this review now is because I played this game for almost a year while waiting for an update or something good to happen but it never did and I was sick of it. The thing that ticks me off the most is that I live far away from my friends and I wanted to be able to talk with them but you need a certain amount of coins just to be able to talk with people and I thought it was very unfortunate because when your trying to play games and win coins, it's hard and then you have to waste more of your time just so you can talk. Yes, you can use ur coins for getting power ups but in order for u not to be broke, u needa save up for the power ups so they have something interesting. If you're

like me and like to talk to your friends while playing or get things for your farm, do not play this game. It is one big waste of time and it takes so long to progress. And the chat ain't worth it either lol",

In 2021, the development team released a free-to-play game called "Coins & Curses". This game is a hybrid of "Coin Master" and the "Coins & Assets Adventure" game from 2021. In this game, players collect cards through daily quests and upgrades or buy them directly through microtransactions. "Coins & Curses" has a score of 8.8 out of 10 based on 60 reviews by critics on Metacritic, indicating generally positive reviews.",

"I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways. I would love to give this game five stars because the graphics are good, and it is entertaining."",

Loved this game! by s\_only\_me on 2021/03/31 15:13 This app was really fun and addictive. I've downloaded many apps but this was my favorite!! It's like a mini version of scrabble or tetris that is easy to finish, so I wasn't always too frustrated when I couldn't get a word right or it didn't fit in the puzzle correctly. I really liked the fact that I could earn coins and buy different game modes and backgrounds. I would definitely recommend this app ðŸ˜—â••â••",

Five years later... by Phil2021 on 2021/11/28 22:56 I was looking up this game to see if it still existed and that's when I found my love for the game again. It has been

five years since the last time I played this, and I definitely missed the challenge that made me play again and again. Graphics are still good, gameplay still needs minor updates (minor looks like), but overall it's still a great game!! Before you write a bad review, check out your options for the game first. There are a lot of great games out there that you can play.",

"This is one of the most enjoyable games I've ever played. You don't have to be online to play, which is a big plus. You can get free coins and spins by viewing videos or playing other games. It lets you choose which level you want to play on, so it isn't too easy and boring, or too hard and frustrating. The best part is that you can play with your friends at any time! There's not only boss fights, but there are also puzzles that require you to work with other players to figure out how to beat them. A good thing (or bad thing for those who don't like boss battles) is that if you go into a fight with someone else, they will take over the game. This means you might have to just sit there and watch while they fight. If you don't want your friend to leave, you'll have to buy some extra lives by tapping on the screen." "Great game! I love that you can play with friends anywhere, even when not connected to the internet. I would only add that it is hard sometimes when there aren't enough coins, but other than that, this game is so worth playing." "This is one of my favorite games because of the different levels and how easily it takes all my free time. I think it would be more fun if there were different games you could play with friends online and offline. It would also be cool to have a way to actually get coins and lives without having to pay for them." "I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another

Good game but... by 1-2-3! on 2021/12/22 00:18 I really like this game. It allows you to come back to it later with a new board of squares that have a set pattern. In this case, all the white squares are filled in and you have to find all the words that fit in the pattern. It's really fun, although sometimes confusing as you try and decipher what is or is not a word. The only complaint I would have is there are SO many ads. They are annoying and it takes away from the flow of the game. They are also very small.",
