How do I remove a persistent fake-virus alert popup? I've got a Surface Go 4 running Windows 11 in my family where today the user clicked "allow" on a popup message she got asking about cookies or something while browsing in Edge. Since then, the PC gets a popup in the lower right corner. She got maybe 15 different versions of the popup. It stays on-screen for 10 to 30 seconds, then goes away ...

A Microsoft Account is simply Microsoft's version of a cloud account. The idea behind a cloud account is that you can sign in from any device, or with any application connected to the account. That makes it very convenient. It also makes it a pain in the a\*\* when you want to completely sign out of a cloud account, because there's no master 'off' switch. On your own PC, you sign out of your ...

Her parents did not approve of this decision and they started a petition on Change.org to get their daughter unbanned back on Roblox. They stated that her ban would be a violation of their privacy rights as well as an infringement upon her civil rights, as a minor. The family requested that Roblox reverse its ban of Arielle and instead give her a warning to stop future harassment, which she committed while playing "Minecraft". The petition received more than 50,000 signatures in less than 12 hours. However, it was then reported by users that the petition had been removed from the website soon after it began. As soon as the petition was received by Roblox, it was announced that her account would be reviewed and further action would be taken in response to how she had "been conducting herself online".

In ROBLOX, safety is one of the main concerns facing parents. The website can sometimes be a risky place for children because they sometimes come across people being rude, bullying, etc. [138] . ROBLOX is doing its best to make sure that its users stay safe while playing games. First, ROBLOX has safety features in place. A "report user" button is at the bottom right of every player's screen. This button appears if someone is acting rude to you in a game. Pressing it leads you to a page where you can add as much detail as you can about what happened and why it was wrong. The person reading the complaint will then investigate the situation and take necessary actions towards offending players. Players have also found ways to use this button for wrong reasons, like falsely reporting users to get them banned from playing ROBLOX.
