Minecraft RTX Not working I'm trying to turn on RTX in minecraft windows 10 edition, Specs RTX2021, Ryzen 2021, 32GB ram. When i use a RTX enabled texture pack sometimes the Ray tracing option is there and sometimes its not with different texture packs. And whenever i turn it on and exit settings it automatically sets itself back off instantly.

So I have been having this problem for multiple months. My minecraft crashes with the exit code of -2021202191. Usually, the monitor goes black or it just freezes at the frame where the game started

I was afking at my skeleton dungeon trap and I got creeped lol so I died. Respawned, ran back to my trap and collected all my stuff, but for some reason m...

Hello.I have been saving for Minecraft but when I try to buy it with points it does not show me an option to use my account balance.I have not redeemed my points yet I tried to see if I could buy the

- forcing Minecraft to use the dedicated graphics card (just in case, I read that a similar problematic frame to mine is often correlated with AMD GPUs, which my integrated one is) - disabling user account control (?) And here is a list of fixes I tried to implement but couldn't, because Windows wouldn't let me.

How do I join my IP Address to a Minecraft Server? â€“ To connect to a Minecraft server, you will need an IP address or host name of the server. Connecting your Minecraft server via your IP address is the same as connecting to it directly through the internet without requiring any extra software. The primary way to get an IP address is by going into your internet browser's settings page and finding out what the current addresses given from your provider are for you. If you are using a Bukkit or Tekkit server, then this should be included with their connection instructions. With individual servers, there are a couple ways that you could go about getting this information. The first way would be to simply ask the host if you can connect to their IP address and they will give it to you. Otherwise, you can go through your router configuration page to find out the information that you need.",
