I wrote all of this because I really love Roblox and I just want everyone to have fun in game without worrying about the problems that are being posted above. I think some of the problems can be fixed like muting the people who spam and the moderators should be able to keep a better eye on the areas they are in charge of.

On July 19th, 2021, ROBLOX announced its new version of the catalog, where users can now search games by the Tags that already been implemented onto all of the games recently. This was created to allow users to discover new content with ease and quickly find what they are looking for. Also more updates have been added in this catalog such as viewing game thumbnail frames, images, descriptions, and more.

I really liked playing my own games because it was fun to design a new world for my friends and myself. In my game I could make up anything I wanted. I could add trains, people, animals and pretty much anything else you can think of. I also liked making my own avatar because it gives me a lot of choices in making the way they look. Another thing I was really interested in was Roblox role play which is basically acting like someone else for a little while. You can choose one of your friends or even make up a new person and act like them until you want to stop again. This is good for kids because they get to learn how to act like they're someone else. It's also good for when they have to act in school and it can teach them a lot of things.

Throughout 2021, ROBLOX released a handful of new products including: "Virus Assault", "Prophet", and "Super Bomb Survival". "Prophet", released in August 2021 was essentially a demo for "Super Bomb Survival" which was released in November of the same year. ROBLOX started to develop more games in 2021, including: "Boom Boom Speedway", "Pirate Invasion", and a brand new version of "Dance Off". On February 6, 2021, ROBLOX launched a new game named 'Gladiators'. This game was one of the first games where being shot by another player would cause damage towards your avatar. It also included characters that could attack back.

Hacking Roblox is not only limited to hacking a person's account by using someone else's information. There are also methods of hacking Roblox accounts that do not involve stealing another person's information. One of the more simple ways of hacking Roblox accounts is through DDoS attacks. An attacker uses a botnet and sends out requests for data on the target's server, causing it to become overwhelmed and crash. This can be done to any website, including Roblox.

On August 21st 2021, ROBLOX removed the ability to sell hats and shirts on their site. This came after a report that showed a lot of users were scamming each other out of money. The system was redesigned and the hats cannot be re-sold.[45][46]

Users can report a game if they feel like it does not follow the rules. Either the game will be deleted or the owner will be warned, but most of the time the game is deleted. On January 5, 2021, a legacy avatar called Trollface became unusable because of DMCA claims from its artist. As such, ROBLOX disabled all avatars that use his artwork. It was later re-enabled after copyright claims were retracted.[39]

On November 24th 2021, the game was reuploaded on ROBLOX and was named simply "Anthem". It is the exact same game as before with no changes or improvements.[90] ROBLOX 3D: On December 23rd 2021, ROBLOX released a new version of their website called "Roblox 3D". The company claimed that it was meant to be an improved version of their 2021 release. The 3D design features many new animations and tools for users to create models.
